## New Media Outreach

We are praying about, and looking into going back on television. We are not sure at this time how quickly that will take place. But we are praying that door will open soon.

Meanwhile, we want to begin recording some “round table” discussions among our ministers, that we will make available on DVDs for purchasing, and will use the audio on the radio station for a new Saturday program. We may also place the videos on YouTube and Facebook.

Please be in prayer for this new outreach, and that many will be able to hear and receive from the teachings that we will be doing.

## Need A Tax Receipt?

If you need a letter acknowledging your donations for 2018, please let Freida Cooksey know. She will be preparing those letters, and should have them available by late January. We only print letters for those who request it.

## Reserved Seats Reminder

Please remember to keep the reserved seats open so that if visitors arrive late, they can easily find a seat without the pressure of having to walk past strangers. Making visitors feel welcome is of utmost importance, and we appreciate your help. Should you need help in locating an available seat, just let one of the workers at the back of the church know and they will assist.
